OpenArch Student Letting Information

TENANCY AGREEMENT

Before commencing the Tenancy you will sign a Tenancy Agreement which sets out the obligations of both the Landlord and Tenant. Once this Agreement has been executed, it is legally binding.

GUARANTOR

Each applicant is required to provide an England Based Guarantor to support their application. Your chosen Guarantor will be required to sign the Tenancy Agreement and will be held responsible throughout the duration of the tenancy term for any unpaid rent or monies, should the tenant fail to pay.

We appreciate that sometimes this may not be possible and, in this instance, there are companies that will provide a guarantor service for you, one of whom we recommend is Housing Hand –

<https://housinghand.co.uk/guarantor-service/>

DEPOSIT

You will be required to pay a £500 security deposit per person upon signing your Tenancy Agreement. This deposit will be held by OpenArch for the duration of your tenancy and will be returned at the end of your tenancy, subject to a satisfactory end-of-tenancy inspection.

The deposit cannot be used as payment for your final month's rent. However, deductions may be made to cover any rent arrears or damage incurred during your tenancy.

Your deposit will be protected with MyDeposits, and you will be provided with a Deposit Protection Certificate and MyDeposits Prescribed Information for your records.

RENT

Rent is payable monthly. Rent payment date of the 1st or 14th will be confirmed in your tenancy agreement.

Rent includes: Gas, Water, Electricity, Communal TV Licence and Broadband. Council Tax is excluded from the rent, however exemptions may apply, see below.

STUDENT STATUS

The applicant confirms that they are a full-time student registered with a college or university or will be at the commencement of the academic year. The applicant shall be liable for Council Tax where they cannot provide a valid Student Status Certificate or where their course does not cover the entirety of the fixed term;

If you are a registered full-time student for the entire duration of the tenancy term, Council Tax exemption will be awarded to you. However, if your course dates differ from the tenancy dates then the you would be responsible for Council Tax for those days that you are not covered, and this will be calculated on a daily basis and recharged to you throughout your tenancy. Your Council Tax charge, if applicable, will be payable directly to the Landlord.

For definition of a student for Council Tax rules, please see the following link:

LIABILITY

Our rooms are let on an individual basis, however each tenant will be jointly and severally liable for the communal areas. For any avoidance of doubt, the communal areas are internal and external areas of a building that are shared by all tenants living there. This can include, but is not limited to: entrance areas, stairwells, kitchen, living room, bathrooms, garden, bin stores.

Before the start of a new tenancy we are obliged by law to check that all tenants aged 18 or over can legally rent. This means we are required to see, and take copies of, any relevant documents, such as Passports/ Visas/ Share codes. You will need these documents to hand when you complete this application form.

Full guidance on which documents are acceptable can be found here:

<https://www.gov.uk/government/publications/right-to-rent-document-checks-a-user-guide>

A sample Tenancy Agreement is available to view on our website – under the 'For Tenants' tab. Other information is also available here such as the **Fee Information** and Useful Links.

SANCTIONS SCREENING NOTICE

As part of our legal obligations under the UK's financial sanctions regime, we are required to check whether any party involved in a tenancy is subject to financial sanctions imposed by the UK government. To comply with these regulations, we will screen your details against the UK Government's Consolidated List of

Financial Sanctions Targets. This is a standard procedure and does not affect your application unless a match is found. By submitting this application, you consent to us conducting this check. If a match is identified, we are legally required to report it to the Office of Financial Sanctions Implementation (OFSI) and may not be able to proceed with the tenancy.

RIGHT TO RENT CHECKS

Under the Immigration Act 2014, all landlords and letting agents in England are legally required to check that prospective tenants have the legal right to rent a property in the UK.

This means that, before we can proceed with your tenancy, we must see original documents that prove your right to rent. This will include, for example, a valid passport, biometric residence permit, or other acceptable documents listed by the Home Office. In some cases, we may need to carry out a check using the Home Office online service. If applicable, you may be asked to provide your share code and date of birth so that we can confirm your immigration status electronically.

By completing this application, you acknowledge and consent to us carrying out these checks in accordance with UK law.
